Forecast for Saturday 29 Aug 2020

Weather: A bright day with some sunny spells, the best of the sunshine early and later in the day. However, it will feel cool or rather cold at height due to the northerly winds. Isolated light showers possible, perhaps wintry over the highest summits.

Chance of cloud free mountain/hill tops above 800m: 90% or more, patchy or occasional cloud near or above the summits.

Visibility: Very good or excellent.
